

The graph displays the daily mean delay times over a period of approximately 40 days. The x-axis is labeled 'Date' and shows dates from Nov 11 to Jan 20. The y-axis represents delay in minutes, with major ticks every 0.25 units from 0.25 to 2.00. A blue line with circular markers represents the 'Daily Mean Delay'. A horizontal dashed line at 0.60 min represents the 'Overall Mean (0.60 min)'. A red circle highlights the peak delay on Nov 19, which is labeled 'Studenteninfotag 1.02 min' in a yellow box. The legend in the top right corner identifies the blue line as 'Daily Mean Delay', the red circle as 'Nov 19 (Studenteninfotag)', and the dashed line as 'Overall Mean (0.60 min)'.
